

ADDITIONAL INFORMATION FOR SNAP RECIPIENTS

USING YOUR ARIZONA EBT QUEST CARD

There is no minimum amount you have to spend to use your card. You can use your card as much as you want as long as there are benefits left in your account.

Keep your paper receipt. It will show the amount, date and time of your purchase or return, the store name and location, the transaction type, your remaining balance, and part of your card number.

HOW WILL I KNOW MY ACCOUNT BALANCE?

The easiest way to know your account balance is to keep your receipts. If you don't have your receipts, you may check your balance on the Internet at **www.ebtEDGE.com** or you can call the 24-hour Customer Service number. You should always check your account balance before you use your card.

WHAT HAPPENS IF THE POS MACHINE IS NOT WORKING?

If the store does not have a POS machine, you may not be able to use your Arizona EBT Card there; ask if the store accepts Arizona EBT. Some retailers do not have a POS machine and instead will use a paper form, called a voucher that you will need to sign. Some retailers may limit the amount of your purchase.

ALTERNATE CARDHOLDER

You may choose a person, called an Alternate Cardholder, to get your benefits for you. If you need an Alternate Cardholder, choose a person you trust. Remember, lost or stolen benefits will not be replaced.

WHAT IF I DO NOT WANT TO USE ALL MY BENEFITS IN ONE MONTH?

The benefits you do not use stay in your Arizona EBT account until you use them. However, if you do not use your SNAP benefits at least once during a 9 month period, those benefits will be removed from your account for inactive use.
